

Too busy for spoons & blenders?  
No time to make EnerPrime smoothies?  
You can still give your body what it needs?

## With...EnerPrime Capsules!!

- Easy to carry in your pocket or purse. Great if you're constantly on the move and need that afternoon pick-me-up
- Forgot to take EnerPrime and now you feel a tickle in your throat? Capsules can always be with you!
- You prefer EnerPrime in powder form but find it inconvenient to carry and mix on business trips. An extra supply of capsules are the solution!
- You've wanted to enjoy the benefits of EnerPrime but find a green drink difficult to swallow. EnerPrime capsules are for you!

**“People who take EnerPrime know it works!”**
